## COUNTY BEEVES, POULTRY TAKE PRIZES AT SHOW

Adams County poultry carried off important prizes at the Pennsylvania Farm Show this week at Harrisburg while all four of the 4-H baby beeves shown by Adams County young folk placed in their respective divisions.

Ted Stough, New Oxford R. 1, who on Wednesday won a ribbon with the best capon in the poultry show, and Arlan Reynolds, New Oxford R. 2, who also had entered birds that carried off prizes in the capon division, today were listed with new honors.

A pen of Stough chickens captured a reserve championship among special awards for broiler, fryer and roasting chickens. Stough also won a first prize for white cockerels.

### More Poultry Honors

Glenn M. Bentzel, New Oxford R. 1, won a first prize with a pen of pullets and Arlan Reynolds also was a first prize winner with his display of cockerels.

Cyril Staub, New Oxford, has won six prizes in the poultry show. Staub took a first prize with a goose, a second prize with a gander, a second prize with a young duck, a third prize with a young drake, a second place with an old drake and a fifth place with an old duck.

### Meivalence Nace, Hanover R. 3, Adams County, won sixth place in the Hereford division of the 4-H Baby Beef exhibit at the show. Her animal was entered in the Hereford lightweight class.

### Other 4-H Honors

Evelyn Breighner, Littlestown R. 2, placed tenth with her entry in the annual 4-H Baby Beef judging held at the Farm Show in Harrisburg.

Her steer was entered in the Angus lightweight class. Patrick Murren, Hanover R. 4, won 11th place. In the Angus medium heavy class James Behney, York Springs R. 2, secured 14th place. All three are members of the Adams County 4-H Club.

In the Baby Beef trios competition Lancaster County took first place. Franklin, York and Cumberland Counties won third through fifth places respectively.

Meryl H. Shaeffer, Hantsdale, whose entries annually win a number of dairy herd prizes at the South Mountain Fair, repeated at the Farm Show, winning a number of awards in the Jersey division of the Farm Show. A listing today shows he won two firsts, two seconds, a fifth and a sixth with entries in that division.

A number of Dillsburg area residents won prizes in the poultry division. Glenn Reed, Dillsburg R. 2, took first place with a Black Sumatra hen, first with a cock, an eighth and tenth with cockerels in that class.

Luthetta Bucher, Dillsburg R. 3, won an eighth place with a Black Sumatra cock. Mark King, Dillsburg R. 1, took fourth place with a trio of White Rock hens. Winners with miscellaneous trios of hens were Harold M. Haar, Dillsburg R. 2; Stanley Reynolds, Dillsburg R. 1, fourth, and Dwight Lehman, Dillsburg R. 1, sixth.

J. Harold Little, Hanover R. 3, well known locally, who won the reserve grand champion title in the Chester White swine division with "Lady Reporter," sold the animal for \$320 to Harvey C. Hunt, Conemaugh, during the sale held as part of the Farm Show.

### YOUTH COUNCIL TO MEET

The Fifth District Council will hold its monthly meeting in the Urah EUB Church, Monday, starting 7:30 p.m. Special music will be provided by the Idaville U.B. Church.

## Reds May Not Accept POWs On Wednesday; Allies Will

PANMUNJOM (AP) — Red China's Peiping radio said today the United Nations Command would endanger the Korean armistice by accepting the 22,000 Chinese and North Korean prisoners to be turned back by India from an anti-Red camp next Wednesday.

### PANMUNJOM (AP) — An Indian spokesman said today his command will turn back 22,500 unrepatriated war prisoners whether the Allies or Communists want them or not.

The return will begin at Wednesday.

Although the Indians are awaiting replies to letters of notification sent both commands yesterday the spokesman said the tenor of the replies will make little or no difference.

Asked by a reporter if the Indians would go ahead with their plan, the spokesman said with emphasis:

"It is not our plan—it is our decision."

The Indians have received no reply from either command.

The United Nations is certain

## Report \$325 Damage In Two-Car Crash

Cars driven by Hiram J. Lentz, 48, Orrtanna R. 1 and John R. Adams, 43, Dover R. 2, collided Thursday afternoon at 2:40 o'clock at the intersection of the Lincoln Highway and the McKnightstown-Arendtsville Rd., causing \$325 damage. No one was injured.

State police said Lentz was headed south towards McKnightstown during a heavy snowfall and Adams was driving east on the Lincoln highway when the two collided. Damage to the Lentz car totalled \$125 and to the Adams vehicle, \$200.

## COUNTY HOME LIVING ROOM IS RENOVATED

Renovation of the living room in the men's building was reported completed at the meeting of the Adams County Home Auxiliary Thursday afternoon at the County Home.

The work included the placing of new curtains and the painting of walls and furniture. The organization expressed its appreciation to Harvey Miller who did much of the painting at no cost to the auxiliary.

Rev. Dr. Howard S. Fox, president of the auxiliary, and all of the members joined in expressing their appreciation to the many organizations and individuals who during the past year donated money, time, and gifts to the County Home.

Because of the many organizations visiting the County Home in groups and providing treats, the auxiliary decided to serve ice cream only on the first and third Sundays from November through May to avoid duplication of effort. Ice cream will be a regular Sunday evening dessert at the home from June through October. The cost is borne by various organizations and individuals. Cost to serve the entire group for one meal is \$7.50.

### Many Christmas Gifts

Mrs. Ira Henderson, chairman of activities for the home, reported an unusually large number of gifts during December, including cash and parties held by various groups at the home. The list includes \$30 from the Women's Club of Gettysburg; \$7.50 from Miss Elsie Garlach; \$7.50 from the YWCA Board; \$7.50 from Adams County Farm Bureau; \$7.50

## "Don't Throw Snow Into Streets," Burgess

Burgess William G. Weaver today reminded local residents that it is against the law to throw snow into the streets.

Police today warned a number of persons tossing snow from their cars into the cleaned streets and reminded them that such action is a violation of a state law. The borough is issuing the warning at the request of the state highway department, the burgess said.

### SCOUTERS SET DATE

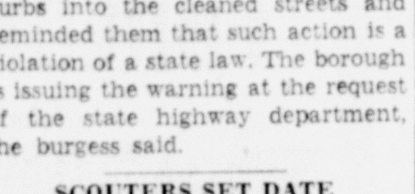

The Roundtable session to have been held Tuesday evening for scout leaders of the Black Walnut and Conewago Boy Scout districts has been postponed to February 2, Charles Harris, local scout district executive, announced today. Decision to postpone the meeting was made because of the condition of roads leading to Camp Conewago where the Round Table is to be held.

### CANCEL CLASS AT "Y"

The class on decoration of tin and furniture taught by John Byers, Littlestown, which was to have been held tonight at the YWCA has been cancelled, because of the weather. The next class will be held January 22 at 7 p.m. at the YWCA.

## Talbott Talks About An Air Academy

Secretary of the Air Force Harold Talbott, right, comes up to the House Armed Services Committee bench Thursday to talk with Chairman Dewey Short (R-Mo), left, and Rep. Carl Vinson of Georgia, ranking Democratic member. Talbott appeared for the second day to testify about what he termed an "urgent" need for a separate air academy.

## Elect Treasurer Of U. S. Hockey Unit

Miss Grace C. Kenney, assistant professor of physical education at Gettysburg College, has been elected treasurer of the United States Field Hockey Association.

Miss Kenney has been at Gettysburg for six years, and in the same number of seasons as coach of the college girls field hockey team she never has had a losing season. Last season her team had an unbeaten record of 10 victories. Six of the wins came against other college teams, while the other four were in tournament competition. Miss Kenney was captain of the Mid-Eastern team that played in the Nationals at Hunter College, N. Y. last season, and served as coach of the Southern Division First Team of the All-College Tournament.

### Here And There

News Collected At Random

A battle-starred veteran of World War II, retired at the end of hostilities, is again in action. The Third Hospital Train, which shuttled 33,000 patients more than 33,625 miles between the front lines and rear hospitals during the Rhineland campaign, is now being used as a training school at Cameron Station, Alexandria, Va. Here trainees from Walter Reed Hospital in Washington are learning all the duties necessary for the care and transportation of casualties.

The students include pharmacists, clerks, mess stewards, cooks and ward masters, who not only are trained in their own specialties but must learn the routine nursing practices of a fixed hospital. The train now has the latest type hospital cars and, when it has its full complement of forty enlisted men, three medical officers, one medical service corps officer, one warrant officer and five nurses, can care for 300 patients.

A fact you won't find in either of Dr. Kinsey's best-sellers is that diesel horns on Canadian railways are disturbing the love life of the moose. It has been officially reported that the bull moose mistakes the sound of the compressed-air horn for the mating moo of a lovelorn moose cow, and that his effort to respond has sometimes been disastrous.

A strange and prosperous new business is being aided by railroads in the Transvaal. This new enterprise is a market in bones. Natives collect the skeletons of wild animals, scattered over a 3,000 square mile area, for factories which turn the bones into fertilizer, bone meal and chemicals. Bones are not hard to find since they have been accumulating through the years, and transportation difficulties have been solved by collection depots set up by the railways. Tons of bones are brought in daily and hauled away to the factories.

Serta "Posture-Ease" innerspring mattress, full or twin size, now only \$29.95, matching box springs same low price. Limited time only at N. C. Sires, Chambersburg and Washington Sts., telephone 808-X, Gettysburg.

## Two Soldiers Meet After Long Lapse

Back in the summer of 1931 when recruit Harry R. Beamer, Gettysburg, was assigned to the 23rd Bombardment Squadron in Hawaii, he met Sergeant Walter R. Humbarger, Bryan, Ohio, who was a crew chief and an old soldier.

Sergeant Humbarger and Recruit Beamer were in the outfit until the summer of 1936.

When Lieutenant Colonel Harry R. Beamer was assigned recently to Wright Air Development Center as Commander of the Headquarters Squadron, Dayton, O., there, waiting to greet him, was his new first sergeant, Master Sergeant Walter R. Humbarger.

Seventeen years is usually a long time to remember a casual acquaintance, but not for Colonel Beamer. He remembered the sergeant and even made a guess at the sergeant's serial number.

### JAYCEES NAME LOCAL MAN FOR TOWN SERVICE

Selection of a Gettysburg young man to be honored with a "Distinguished Service Award" based on recommendations by individuals and civic organizations was announced Thursday night by Francis G. Small, Junior Chamber of Commerce project committee chairman.

Identity of the young man cited for "significant contributions to the community during 1953" will be made public next Thursday at a banquet concluding local observance of "National Jaycee Week."

Nominees were screened by a panel of judges consisting of Judge W. C. Sheely, Rev. Dr. Ralph R. Gresh, and Burgess William G. Weaver at a meeting prior to the regular session of the Junior Chamber at the Engine House.

The speaker at the banquet to be held at the Legion Home at 7 p.m. will be Dr. Wilbur E. Tilberg, dean of Gettysburg College. Grover Goucker, of Hanover, will be the master of ceremonies. He is Junior Chamber State Extension chairman and 1952 winner of the Hanover distinguished service plaque.

Reservations close Monday. Small stated that price of the dinner is \$2.25 per person. Reservations close Monday evening. Reporting on the outcome of the State "Voice of Democracy" contest. (Continued On Page 8)

## THREE MISHAPS ARE REPORTED BY TOWN POLICE

Three accidents in Gettysburg Thursday afternoon were attributed to the slippery condition of the streets, police reported this morning. In at least two of the crashes police said the accidents resulted from failure to have chains on the vehicles.

Cars operated by Elton B. Martin, Fairfield, and Mrs. Violet M. Raffensperger, 62 W. High St., collided at 4:30 o'clock Thursday afternoon at the intersection of W. Middle and Franklin Sts. Police said Mrs. Raffensperger, driving a state-owned car west, slowed to turn at the intersection. Martin, following, was unable to stop quickly enough and crashed into the rear of the state car. The report placed blame on lack of chains on Martin's car. Damage totalled \$85.

Similarly, in an accident at 5:30 o'clock Thursday afternoon in the second block of Carlisle St., police said lack of chains caused Hugh Reed Burns, Garden City, New York, to crash into the rear of a car driven by Miriam R. Plank, R. 5, when it halted for a line of traffic ahead. Damage totalled \$200.

In the third accident, at 2 o'clock Thursday afternoon on S. Washington St., Lewis B. Smith, R. 3, was attempting to pass a truck halted on the street. His car skidded and struck a parked car owned by Donald G. Wisotzky, 403 S. Washington St. No estimate of damage was immediately available.

No one was injured in the crashes.

## 7 QUALIFY ON CHERRY PIES

First phase eliminations for the title of Gettysburg High School Cherry Pie Baking Queen were completed Thursday afternoon when four 11th and 12th grade home economics students were named to join three 10th grade semi-finalists announced Wednesday.

Thursday winners, according to Eva Jane Schwartz, vocational home making teacher, included: Janet Bridenbough, senior; Barbara Hankey, senior; Glenda Lobingier, senior, and Lorna Smith, a junior.

The seven semi-finalists will compete for the title of Cherry Pie Queen in the Gettysburg home making room, January 22, starting 10 a.m. Members of the judges panel who will decide upon the local entrant in the county finals the first week in February are: Mrs. William Conover, Miss Marjorie Merritt, and Thomas Oyler. Previous winners selected from 20 tenth grade contestants Wednesday included: Erika Kaseberg, Shirley Eggleton, and Barbara Mickey.

Judges in senior high competition Thursday were: Mrs. George Miller, Mrs. Mervin Benner, and Miss Louise Ramer.

## Alumni Group To Meet On Saturday

Dr. Walter C. Langsam, president of Gettysburg College, will be the speaker at the annual luncheon meeting of the executive committee of the alumni council to be held Saturday in the Hotel Brunswick, Lancaster. The business session will begin at 10 a.m.

Other local alumni planning to attend are: C. Paul Cessna, alumni secretary; Prof. Earl E. Ziegler and Mrs. Lester O. Johnson, chairmen of standing committee, and Dr. H. H. Beideman, Hanover, a past president of the council. James Tarman, public relations director at the college, will also attend.

Ralph W. Hoch, Drexel, is president of the association.

## Assessed Value Of Taxable Real Estate In County Jumps Over Half Million This Year

The assessed valuations of Adams County's real estate for tax purposes has increased \$76,073 in the past year, jumping from \$19,011,154 in 1953 to \$19,587,227 as of January 1 this year.

Occupation assessments this year total \$1,875,365, a jump of \$112,040 over the \$1,763,325 valuation set in last year's assessment.

With the assessment structure of the county approximating 25 per cent of actual value, the present assessment would indicate the actual value of taxable properties in the county is \$7,838,908.

The assessment this year marks the last time in which the "old system," in vogue for many years will be used. In 1955 the new county-wide equalized assessment is scheduled to go into effect. On change was noted in connection with this year's assessment. Previously, the assessors made copies of the assessment list for the school board, supervisors, boroughs, etc. in their areas. This year all of the duplicates were made by the county assessors' office and the assessors merely have to distribute the carbon copies to the taxing authorities.

### 1,000 More Taxable

The assessment, which is used as the basis for the tax duplicates now being sent to districts throughout the county, indicates that the county gained approximately 1,000 taxable residents during the year. The number of taxable residents is listed as 2,587 as of January 1, while the number of taxable residents as of January 1, 1953, was given as 27,052. Meantime the number of non-resident taxable residents has increased from 2,587 to 2,812.

That increase in the number of resident taxables indicates increased population plus a better job of assessing in many districts during the past year.

## DUFF REMAINS MUM ON MOVE TO DRAFT HIM

HARRISBURG (AP)—U. S. Sen. James H. Duff (R-Pa.) remained mum today in the face of the first open move to draft him for a second term as governor of Pennsylvania.

John U. Shroyer, Shamokin industrialist and one-time state secretary of highways, disclosed yesterday that he will begin circulating petitions for Duff's nomination on Feb. 23—the first day it is legal to do so.

"My friends know I'm for Jim Duff. He never was afraid to take a position and he's never, in my opinion, gotten a swelled head," declared the Northumberland County commissioner.

**No Comment From Duff**  
He said he spoke to Duff in Washington Tuesday, but "he (Duff) wouldn't say yes or no. However, I'm hopeful he'll run." Shroyer, who backed the Duff-Fine ticket in the GOP primary fight of 1950, made clear that "I'm doing this on my own hook. I told him (Duff) about it but I didn't ask his permission to do so."

In Washington, Duff commented on Shroyer's statement as follows: "I have said before and I now repeat that at this time I have no comment on the political situation in Pennsylvania."

**Not In And Not Out**  
Duff has flatly refused to declare himself in or out of this year's gubernatorial race. So far he has not taken part in any meetings of GOP leaders designed to advance a candidate acceptable to all factions of the party.

Shroyer declared that despite his support of Gov. John S. Fine four years ago the governor has refused to see him. He added that "he has created 'a lot of antagonism' in the party because he has 'forgotten the men who elected him.'"

"This is going to be a fight to the death. The man who is endorsed by Fine is going to get licked." The governor was unavailable for comment.

**Starts "Draft" Move**  
Shroyer, national commander of the Spanish America War Veterans disclosed that a personal canvas of 35 counties showed "a tremendous sentiment" for Duff to seek another term.

"On the basis of that, I'm for him—and I'm starting this draft Duff movement."

Shroyer was fired from the highways post in 1946 by former Gov. Edward Martin when the Shamokin manufacturer backed the Republican organization to seek the 1946 gubernatorial nomination in the primary. Duff was the party choice and was elected.

## Around The Town

Residents of the area including W. Stevens, W. Water, Munnaburg, N. Washington and Carlisle 6th, are expressing their appreciation for the "good neighborliness" of two persons in the section.

In an area inhabited by a number of widows and elderly folk who normally would find snow removal a great problem, Attorney Donald P. McPherson Jr. and J. Wilkins Trew, both of whom own power snow removers, have had men employed by them to clear the sidewalks of snow throughout the entire area during the recent storm. Guy Foulk and Russell Nunemaker did the work.

### BAN SALES FOR WEEK

HARRISBURG (AP)—The State Liquor Control Board disclosed today it has banned the sale of Kaiser liquor products in state stores in Philadelphia, Delaware and Montgomery counties for a week.

A board spokesman said the ban became effective at store closing hours on Wednesday and will remain in effect until opening hour next Thursday because of reported "irregularities of sales" by Kaiser to wholesale customers.

The spokesman said that such a ban, although rare, has been instituted at least three times before.

## RESOLUTION IS AIMED AGAINST BRICKER PLAN

By WARREN ROGERS JR.  
WASHINGTON (AP)—A resolution circulated among most senators may become the rallying point of the Eisenhower administration's attack on the proposed Bricker amendment to limit the government's treaty powers.

The suggested resolution was sent around to all but about 10 of the 96 senators last Saturday by Sen. Kefauver (D-Tenn.).

Unlike the proposal by Sen. Bricker (R-Ohio) and an administration-backed substitute by Senate Republican Leader Knowland of California, the resolution would not amend the Constitution. It would simply put the Senate on record as affirming certain attitudes toward treaties and their domestic effect. It would also require a recorded roll call vote when the Senate ratifies treaties.

Bricker argues that an amendment to the Constitution is needed to insure that basic American liberties shall not be taken away by treaties which, he says, might supersede domestic law and the Constitution itself. Lawyers disagree as to whether this is a real danger.

**Would Hamper Conduct**  
President Eisenhower has said Bricker's proposal would hamper his conduct of foreign affairs, while agreeing that no treaty should contravene domestic law.

There has been no public response to Kefauver's resolution idea from his colleagues. But administration forces are watching carefully for signs that it might break a deadlock on the highly emotional issue.

Compromise efforts are still going on. Bricker had a date today with Atty. Gen. Brownell and Sen. Ferguson (R-Mich.), chairman of the Senate Republican Policy Committee, at the Justice Department. Time is running out on the compromise attempts, going on now for about three weeks without success. The Bricker proposal is scheduled as the Senate's next major business.

## BEEVES BETTER THAN IN 1926

HARRISBURG (AP)—The 4-H Club baby beeves auctioned today at the Pennsylvania Farm Show are "far superior" to the steers judged in the first 4-H contest 27 years ago.

"There's as much difference between them as day and night," said Francis J. Murren, 45, of Hanover R. 4, who won the first baby beef competition in 1926.

Murren said the animals shown today are much improved through breeding and through the introduction of new feeding techniques.

At the beef auction held for the youngsters at that first show, Murren's Hereford grand champion sold for the high price then of 25 cents a pound.

In the past few years beeves have brought well over a dollar a pound. The winner of the 1954 grand championship in the 4-H competition was a 1,050 pound Hereford, belonging to Jane Greiner, of Manheim, Lancaster County. Murren said his own two boys were 4-H club members and had animals entered in the show.

**DINNER RESERVATIONS**  
Saturday is the closing date for reservations for the annual 4-H Leaders Recognition dinner to be held by the Adams County 4-H Council Wednesday evening at 6:30 o'clock at the C. H. Musselman Co. cafeteria, Biglerville, the county agent's office reminded today.

**NEW YORK (AP)—**The American Telephone & Telegraph Co., whose bell system companies operate four-fifths of the nation's telephones, had a record net income of \$421,000,000 in 1953.

The quarterly report to stockholders released today showed this was equivalent to \$10.31 a share and compared with net income of \$358,493,204 or \$10.09 a share on a lesser number of shares for 1952.

The Aspers Fire Co. answered eight calls during 1953. Three were chimney fires during February; April, one chimney fire; July, a tractor and trailer, and a wash house; August, a tractor and trailer, and September, a wood fire.

The Ladies Auxiliary of the Biglerville Community Fire Co. will hold its second corn game Wednesday evening in the fire hall beginning at 8 o'clock. Many prizes, including a door prize, and refreshments will be offered. The auxiliary's present project is selling ladies' hose and bottles of vanilla.

Mrs. D. S. Slaybaugh, Biglerville, observed her 80th birthday Thursday. She is enjoying good health.

The Joint Council of the Trinity Lutheran Church, Arendtsville, and the Flohr's Lutheran Church, McKnightstown, will meet Monday evening at the Flohr's Church at 7:30 o'clock.

The younger generation of the Biglerville community has been enjoying the snowfall and cold weather this week with plenty of sledding on Hanover St. which has been closed to traffic by order of Burgess John Thomas. As long as the snow and cold weather continue and the children request the sledding, Burgess Thomas says the street will be closed for the coasts only.

Four students from the Upper Jointure School System are attending the Southern District Choral Festival at the Lebanon High School. The students are Janet Ehlman and Kay Sheats, second altos, Gary Crum, second tenor, and William Decker, second bass.

There are approximately 200 students in the chorus from 65 schools in nine counties. The concert started Thursday and will continue tonight and Saturday night. The guest conductor is Dr. Paul Ensrud, the director of music at St. Olaf College, Northfield, Minn.

The junior choir of Trinity Lutheran Church, Arendtsville, will rehearse Sunday morning following the Sunday School hour.

The Women's Guild of the Arendtsville Reformed Church will meet Monday evening, January 25, instead of January 18.

The Girl Scout Troop 31 met Wednesday afternoon at 3:30 o'clock in the Bendersville Grade School building. Plans were made to make favors for the patients in the Warner Hospital, Gettysburg, to be distributed on February 22, Washington's birthday. The troop members will sell cookies in the near future. Before the meeting adjourned songs were sung and games played under the supervision of their leader, Mrs. Charles Pryor.

**The Grace Yeiser Missionary Society** will meet Monday evening at 7:30 o'clock in the church parlor of the Trinity Lutheran Church, Arendtsville. Mrs. Robert Schiebel will present the lesson, "Students Today, Workers Tomorrow."

Mrs. Lucile Walton is a surgical patient in the Morton-Plant Hospital, Clearwater, Fla. Mrs. Walton is the former Times' correspondent for the upper communities, and is now residing in Clearwater Beach, Fla.

## SPUD GROWERS HONOR HORST

HARRISBURG (AP)—Miles Horst was honored by the Pennsylvania Co-operative Potato Growers Assn. here for his 11 years as state agriculture secretary.

The association paid tribute to the farming executive at its annual banquet last night held in conjunction with the 1954 State Farm Show.

Gov. John S. Fine, also present at the affair, joined in praise of Horst by telling the growers that previous governors had "chosen well and wisely" in naming Horst to his present post. Fine continued Horst in office after Gov. Edward Martin and James H. Duff.

Both Martin and Duff sent congratulatory messages to Horst although they could not be present at the dinner due to the press of U. S. Senate duties.

In a featured address at the banquet, Edward J. Smith, extension farm management specialist for the Pennsylvania State University, said that machinery costs are an increasingly important part of the expense of producing potato crops. "One of the most effective ways to reduce these costs is by using each machine more nearly to its seasonal capacity," said Smith.

## Acquit Defendant In Racial Action

HARRISBURG (AP)—A jury of four women and eight men in Dauphin County Court found a downtown night club proprietor innocent on charges of unlawful discrimination because of race and color.

Less than 15 minutes were required for the jury to reach its verdict in the case in which Capt. Bryan S. Cave, formerly of nearby Indianopolis Gap, charged that Robert Pohl had ordered his bartender not to serve drinks to Negroes. Judge Homer L. Kreider in charging the jury noted that both sides in the case failed to have the bartender subpoenaed.

## PAY BOOSTS FOR SOLONS, JUDGES ARE SUGGESTED

By ED CREAHER

WASHINGTON (AP)—Senators and House members were invited today to vote themselves a \$12,500 a year pay increase. This would boost their salary to \$27,500 a year.

A special commission set up to study salary problems also recommended a \$14,500 a year increase for Supreme Court justices, comparable raises for other federal judges and higher expense allowances for the vice president and speaker of the House.

The committee's report to President Eisenhower made other recommendations:

1. A government-provided official mansion for Vice President Nixon and his successors in the post.

2. A further study of pensions for the widows and dependents of the various officials. It said there is no such provision now for survivors of justices and other judges and "inadequate" provisions for congressional families.

It's up to Congress itself to decide whether to vote these increases or settle for smaller ones or none at all.

60 Days To Decide

The resolution creating the 18-member nonpartisan commission gives the legislators 60 days to make up their minds. There is nothing to stop them from extending that period, however.

And, with election coming up this year for a third of the Senate and all the House members, it may take them quite a while to decide whether it would be politically wise to give themselves the increase almost at the end of the year.

An early sampling of congressional opinion indicated the Senate may well vote for some sort of increase. The outlook in the House is more doubtful. Whatever they do about their own pay, the legislators are almost certain to raise judges' salaries.

Need Best Men

The commission, headed by Bernard G. Segal, an attorney of Philadelphia, agreed unanimously that members of Congress and federal judges should get higher salaries as a means of "assuring the nation top-flight leadership." There was some difference of opinion, however, as to how big the increases should be.

The compromise recommendation if finally adopted would cost the taxpayers a total of \$11,336,000 a year. Some four million dollars of this, however, would be paid back in the form of income tax.

The proposed salary scale would give associate justices of the Supreme Court \$39,500 a year, compared with the present \$25,000. The chief justice would continue to get an extra \$500. Federal district judges would be raised from \$15,000 to \$27,500. Appeals Court judges from \$17,500 to \$30,500.

Salaries Inadequate

Congress' last increase in compensation was in 1946. At that time the lawmakers raised themselves from \$10,000 a year to \$15,000.

The commission took note of the higher cost of living nowadays and said in addition that legislative and judicial salaries are inadequate, out of balance with the responsibilities of the offices and the pay of other officials and executives in private industry.

The commission said the present pay scales "tend to confine these important positions to persons of independent wealth or outside earnings."

The commission proposed,

## Police Take Bets In Closed Restaurant

MIDDLETOWN, Pa. (AP)—Lewis J. Russ, Middletown, was released in \$500 bail here for further hearing on a charge of pool selling and bookmaking.

Russ was arrested yesterday in a raid by state police on a boarded-up former restaurant building.

Huette Dowling, Dauphin County district attorney who ordered the raid, said Russ was picked up alone. Russ was released in bail at Harrisburg before Alderman John L. Madden Jr.

Dowling said police manned the three telephones in the place for a time and took 20 to 25 bets a sevende.

## SAYS TURKEY DISEASES ARE BEING LICKED

Diagnosis and control of turkey diseases have helped the turkey industry to become established as a profitable agricultural enterprise, Dr. J. E. Williams, of the U. S. Department of Agriculture, told turkey grower members of the Pennsylvania State Poultry Federation at the Farm Show.

"Yet each year, in spite of the advancements that have been made, a significant number of turkeys, about 15 per cent, never reach the market because of mortality from various disease conditions," Dr. Williams said.

He listed the Salmonella infections as the most widely distributed of all. Generally in poultry they occur as pullorum, fowl typhoid, and the paratyphoids, all of them being egg-born. He reported paracolon infections as relatively recent additions to the list of turkey diseases. Another is a condition resembling the so-called bluecomb or mud fever of chickens. Dr. Williams discussed diagnosis and control of these diseases, as well as erysipelas, infectious sinusitis, cholera, and hexamitiasis.

He said that essential to a healthful and profitable turkey industry is a diagnostic service where birds may be taken for examination at the first signs of disease. A full history of the flock and all conditions is necessary.

"The best way to deal with all poultry diseases is to prevent them," Dr. Williams declared. "The poultry raiser must give his attention, first and foremost, to the practice of sound management, a good feeding program, sanitation and cleanliness. If disease should strike, the help and advice of a competent poultry diagnostic service should be sought immediately."

Fishing Is Good

At Florida Track

HALLANDALE, Fla. (AP)—The fishing is keen at Gulfstream Park race track. Sounds crazy, but it's true.

Gulfstream has an infield lake well stocked with fish. Channel bass ranging up to 27 pounds have been caught.

The fish enter the lake through sluices and thrive through the summer months until the start of the winter racing season. That's when angling is permitted.

among other things, that the taxpayers provide the entire cost of six trips home each year for legislators. At present, the lawmakers are compensated—at 20 cents a mile—for one round trip each session.

"LIFE WITHOUT YOU"

The world stood still the night you left . . . and sordid were the skies . . . and drops of tears from my heart . . . I felt so empty and alone . . . that nothing seemed worthwhile . . . because I longed for you my dear . . . the windows were a vacant stare . . . the chairs looked cold and blue . . . and our canary would not sing . . . because it longed for you . . . yes, darling, if you hear me now . . . please send me hope and strength . . . and with your help I'll see things through . . . and go to any length . . . but I will live with memories . . . until again we meet . . . then we will spend eternity . . . always together sweet.

## SAYS LIBERTY WILL CUT REDS

NEW YORK (AP)—Chief Justice Earl Warren says liberty, not communism, is "the most contagious force in the world" and ultimately will penetrate the Iron Curtain.

Warren spoke last night at a Columbia University bicentennial dinner. The address, his first major speech since he was named to head the U. S. Supreme Court last fall, was carried by all four major radio networks.

"Our nation's strength," he said, "is in our diversity," and "our power is in freedom of thought and research." He added:

"No Communist government, no fascist government, no government that is totalitarian could tolerate that approach to the problems of life . . . Such government cannot tolerate dissenting views. All must bow to one creed, one party, one faith . . ."

"Liberty, not communism, is the most contagious force in the world. It will permeate the Iron Curtain. It will eventually abide everywhere. For no people of any race will long remain slaves."

## CLEAR UP SNARL ON EXECUTIONS

HARRISBURG (AP)—Executions of prisoners will continue at Rockview Penitentiary despite an oversight by the 1953 General Assembly, the Justice Department said today.

Gov. John S. Pine had asked for a formal opinion on whether execution warrants should be addressed to the warden of Western State Penitentiary at Pittsburgh or to Rockview, which formerly was a branch of Western State.

The 1953 Legislature in setting up Rockview as a separate institution failed to note a 1913 law making the warden of Western State responsible for carrying out executions at Rockview, where the state's electric chair is located.

Dep. Atty. Gen. Frank P. Lawley Jr. advised the governor that such an amendment was made "by implication."

"You should address all future warrants, respites and other communications concerning electrocutions to the warden of the state penitentiary at Rockview who is at present, Dr. Frederick S. Baldi," Lawley wrote.

Emily Post might have difficulty today in finding the

## JOE DIMAGGIO AND MARILYN MONROE WED

SAN FRANCISCO (AP)—Joe DiMaggio, the former New York Yankee Clipper, has carried off his Hollywood lovely, Marilyn Monroe, leaving millions of fans wondering what will happen to her movie career.

They were married in Municipal Court here yesterday after a two-year romance.

The ceremony was to have been secret. But an estimated 500 persons heard about it and jammed the corridors.

The Judge Forgot

Municipal Judge Charles S. Peery, who performed the brief ceremony, said plaintively, "I forgot to kiss the bride. And I'm sorry."

But Joe kissed Marilyn repeatedly, if somewhat bashfully, for news photographers.

Then he whisked his cover girl away, saying, "We've got to put a lot of miles behind us." He declined to say where they were driving on their honeymoon.

It was a single-ring wedding, with Marilyn promising to "love, honor and cherish"—not obey.

Joe's best man was his restaurant manager, Reno Barsocchini. Mrs. Barsocchini was matron of honor. Also present were Joe's brother and his wife, Mr. and Mrs. Tom DiMaggio, and Mr. and Mrs. Frank (Lefty) O'Doul. It was O'Doul, now manager of Hollywood in the Pacific Coast League, who gave Joe his start in baseball when he managed the San Francisco Seals.

Joe, 39, has one son, Joe Jr., 12, by former Broadway actress Dorothy Arnold, who divorced him a decade ago.

Marilyn, who gave her age as 25, also was married previously—at 16 to James Dougherty, a policeman now living in Van Nuys, Calif., whom she quickly divorced.

DiMaggio said they would make their home in San Francisco, going to Hollywood whenever she had to make a movie. But she said she had no plans now for films.

**Slonaker Loses Race With Train**  
By a "Stumble": The inauguration special was energetically chased down the tracks from the North Washington street station this morning by Frank J. Slonaker, Breckenridge street, the first of the several persons who arrived too late for the Harrisburg-bound train.

Slonaker reached the station just as the train started to move. He gave chase along the concrete platform for about 75 feet and was almost within reach of the rail on the end of the last coach when he stumbled and fell—and the train got away.

Slonaker began seeking other means of transportation. Other late arrivals at the local station are reported to have rushed to Biglerville by auto and boarded the train there on its first stop.

**Vincent Reddings Mark Wedding Anniversary:** Mr. and Mrs. Vincent Redding, West High street, are observing their fortieth wedding anniversary today. They were married in St. Francis Xavier Catholic church, January 17, 1899, by the Rev. Father Henry Crist, who is now rector at St. Joseph's Catholic church, Lancaster.

**Henry Spahr Transferred to Store in Gettysburg:** L. Henry Spahr, who has been assistant manager of Trimmer's five and ten cent store in Carlisle for the last year, today began his duties as manager of the grocery department of Trimmer's store on York street here.

Mr. and Mrs. Spahr, and their young son expect to move to Gettysburg shortly.

**Counties Jam Special Train To Harrisburg For Inauguration:** More than 600 Adams county residents rode a special Reading train to Harrisburg this morning (January 17) to witness the inauguration of Governor Arthur H. James at noon and to participate in the parade and celebration that followed.

Toy highways and the prospect of heavy traffic congestion in and about Harrisburg because of the double attraction of the inauguration and the state farm show swelled the number of train riders above the more than 400 who had made previous reservations.

Republican County Chairman John H. Basehor said he sold more than 200 tickets at the station this morning before the seven-coach train pulled out on schedule at 8:20 o'clock. After making four upper Adams county stops it was scheduled to reach Harrisburg at 10:05 o'clock. The special train will return here at 11:45 o'clock, although the round trip tickets were expected to be used by some counties on the train reaching here shortly after 5 o'clock.

The train was well-filled when it left Gettysburg with most of the 78 seats in each steel coach filled. It was predicted that the four other stops would completely fill the special ad probably press standing room into use. Cakes and special Adams county badges were being sold at the station.

Some residents of eastern Adams county are reported to have gone to Harrisburg by the Pennsylvania railroad which ran one of its special trains from Hanover to York and Harrisburg.

A large part of the big Adams county delegation was expected to take part in the inaugural parade this afternoon. Fred G. Pfeiffer was named marshal and was assigned the task of forming the Adams county unit on 16th street, near State.

**Blast Breaks Two Windows in Restaurant:** Two large plate glass windows worth nearly \$100 at the front of the Plaza restaurant, center square, were shattered about 7:15 o'clock Tuesday evening by an explosion in the kitchen of the establishment. Two kitchen employees were slightly injured and restaurant guests were startled, but unharmed. The shattered window was covered with a large canvas and business went on as usual.

**Mercury Drops To Five Above:** The season and the year's lowest official temperature was recorded here early this morning when the mercury dropped to five degrees above zero in the instruments of Dr. Henry Stewart, official weather observer in Gettysburg.

## Today's Talk

By GEORGE MATTHEW ADAMS

### MIND CLOTHING

We all meet people who immediately impress us as having finely clothed minds, in somewhat the same manner as we are impressed with a person who has clothed his body neatly and with good taste. It has been said that clothes make the man.

Well, I am of the opinion that clothes (thoughts) do the same for the mind.

A clean, well dressed, mind is pleasant to meet. A mind unsoiled with worries, bitterness, and intolerance. Some faces have such a happy light to them that immediately you know the mind of that one is beautifully clothed in garments in tune with the heart itself.

A beautifully gowned person — man or woman — is a pleasant sight to all of us. It's the same with the mind. Gandhi wore but a draped sheet about him, but it was clean and sufficient. It was suggestive of his simple manner of thinking, of his clean mind, and of his sense of values. Neatly dressed people feel better and their minds work better and happier.

It was Emerson at the grave of Thoreau, I believe, who remarked, as he was leaving, that the departed one had "a beautiful soul." Well, we can't see people's souls, nor their minds, but we know that they exist and shine out like bright lights. We feel the dress of minds.

We can each clothe our mind as we will, and with as good taste as we clothe our body. And how apparent a well clothed mind is to any of us the moment that we engage a person in good talk. No extravagant thinking about it, but simple and sincere thoughts that soothe and bless.

The mind has often been referred to as a well furnished one. Why not a well dressed one? Fine companions, intelligent friends, even great books that once were men and women, all may be called in to do the tailoring! The mind of poets must be clothed with flowers and shining stars!

Tomorrow Mr. Adams will talk on the subject: "Calinness to Forget."

### ONCE WAS ENOUGH

(An Italian dressmaker says husbands should accompany and advise on gown shopping tours.—NEWS ITEM.)

I tried it once. Long hours I spent  
When shopping for a dress she went.

The owner, with a gracious air,  
Invited me to have a chair.  
He knew his business and he knew

Men sooner tire than women do,  
And so he bade me sit at ease.  
The while he tried the wife to please.

"Nice gown," said I, "I vote for that."  
Said she: "It makes me look too fat."

Another: "Pretty and just right!"  
The wife: "About the hips too tight."

The third and fourth and fifth she tried.  
The ones I chose she tossed aside.  
"Why take such awful things?" said she.

"You know they don't look well on me."  
When faint from hunger and from thirst  
She bought the one she tried on first.

## IKE'S SOCIAL SECURITY PLAN DRAWS PRAISE

By CHARLES F. BARRETT

WASHINGTON (AP)—Congress appeared set today to give delayed but enthusiastic approval to President Eisenhower's plea for bigger benefits and more taxes under a social security system covering almost the entire population.

Seldom, in fact, has a White House message on such a vast and controversial subject produced so little vocal dissent as the program sent to the Capitol yesterday on Old Age and Survivors' Insurance.

House Speaker Martin (R-Mass) gave this appraisal today: "There isn't any question but that this Congress will enact legislation substantially carrying out the President's program."

### Praised By Reed

A key Democratic leader, asking not to be quoted by name, said, "You can bet your bottom dollar that few Democrats will oppose it."

Chairman Reed (R-NY) praised the program and said his Ways and Means Committee will go to work on it, probably in early March.

Reed, who has fought the President on other points and who has opposed plans of past Democratic administrations to liberalize social security, introduced two bills to carry out Eisenhower's proposals.

### Two Bills In

One bill embraces the main proposal for extending coverage, raising benefits and increasing from \$3,600 to \$4,200 the individual income limit on which the 2 per cent social security tax would apply.

The other would put into effect what is expected to be the more controversial part of the presidential program—revision of federal contributions to states for direct relief to persons not covered, including some needy aged, blind, disabled persons and dependent children.

## KOREAN PEACE TALKS APPEAR A STALEMATE

PANMUNJOM (AP)—Efforts to revive the stalled preliminary Korean peace talks remained at dead center today and both the Allies and Communists insisted they would never modify conditions for returning to the conference table.

Liaison secretaries adjourned for the weekend after a session described by Edwin Martin, State Department China specialist, as "3 1/2 hours of each side advocating its position."

The United States asked to meet tomorrow, but the Reds asked a recess until Monday.

Martin insisted that certain Red remarks be stricken from the record before the preliminary talks can resume. The Communists retorted that they would discuss only a date for reopening negotiations broken off Dec. 12. They also rejected again Martin's request that the secretaries confer in secret.

Special U. S. envoy Arthur Dean walked out of the conference but last month. He flew back to Washington, saying he would not return until the Communists retracted their charge of perfidy—treachery.

The Reds had accused the United States of conniving with South Korea in the release last June of 27,000 anti-Communist Korean war prisoners.

The Communist delegates, according to Red newsmen, told Martin "our side considers that the dispute between the two sides in the past meetings should not be an impediment to resumption of discussions."

Martin said, "We can get to the political talks only if we succeed in eliminating obstructive matters. We cannot ignore that under any circumstances. We hope you will understand that clearly."

The American delegate said the theme of the last two weeks of Dean's preliminary discussions with the Reds at Panmunjom.

But he said the Communists did not revive the perfidy charge.

## TO BURY SLAIN JUDGE SATURDAY

WARREN, Pa. (AP)—This small northwestern Pennsylvania community of 13,000 pays its final respects tomorrow to Judge Allison D. Wade shot to death by an irate defendant.

The killer, Norman Moon of Connelville, Pa., is in serious condition at Warren Hospital from a bullet wound inflicted in a suicide attempt.

The 26-year-old construction worker shot himself in the throat after state police cornered him in a bullet-plattered auto chase. The blast tore away half of his tongue.

Funeral services for the 51-year-old jurist will be held at 2 p.m. in the Warren Trinity Memorial Episcopal church. Burial will be in Oakland Cemetery, Warren.

Moon shot down Wade in his courtroom Wednesday. Moon had appeared to explain his failure to keep up weekly support payments to his estranged wife.

Arthur Godfrey explains, with gestures, to newsmen atop his Miami Beach, Fla., hotel, the incident at Teterboro, N. J., airport. He said he was caught in a cross wind and had to turn close to the tower, it was unintentional, and if he scared anybody he was sorry. The Port of New York Authority said it appears that Godfrey was a reckless pilot in the Teterboro incident and asked the CAA, if facts warrant it, to discipline the television entertainer.

## Shorty, Grand Champion Of Farm Show, Heads 100 Baby Bees To Auction

By RICHARD L. GRAVES

HARRISBURG (AP)—The fastest pampered darlings of the cattle world—Pennsylvania's 4-H Club baby bees—arrived at the auction block today at the 1954 Farm Show.

Heading the parade of more than 100 brushed and curled cattle was a portly russet Hereford named Shorty, the grand champion baby steer of the exposition. Shorty was raised by Jane Greiner, of Manchester R. 4, Lancaster County.

Weighing in at 1,050 pounds, Shorty took the title yesterday to become the first Hereford since 1942 to take top honors in the baby beef competition. All the rest have been Aberdeen-Angus.

But he helped preserve another tradition of Lancaster County winners, as more than 8,000 people crowded into the huge farm show arena to witness the baby beef judging. They were part of 155,000 visitors sending attendance records this year soaring over the 500,000 mark.

### Attendance Drops

Meanwhile, overnight snows piled another layer of white on eight inches that fell earlier in the week. The week-long cold spell with its accompanying hazardous traffic conditions dropped four day attendance figures this year to 520,000—75,000 below 1953.

Also going to the block today was the reserve grand champion, Smokey Joe, belonging to Marlene Good, 16, of Lancaster, R.D. 1. This is the second straight year that Lancaster County youngsters have taken the top prize.

Smokey Joe is an Aberdeen-Angus weighing 1,110 pounds. Eleanor Rowe, 17, of Strasburg, was a third Lancaster County girl to win honors with her grand champion pen of Southdown lambs. Five hundred Future Homemakers of America turned out for their annual meeting held in conjunction with the show.

### Need "Good Family"

Dr. Francis B. Haas, state public instruction superintendent, told the girls, "The central point in any good society is a good family." Haas said the FHA contributed much toward this goal.

Honored for 11 years as state agriculture secretary was Miles Horst, Gov. John S. Fine and other state and national leaders in the field of agriculture paid tribute to Horst at the annual banquet sponsored by the Pennsylvania Co-operative Potato Growers Assn., the Pennsylvania Farm Bureau Co-operative and the Pennsylvania Chain Store Council.

Previous governors have "chosen well and wisely" in appointing Horst as agriculture secretary, Fine said. "He is a purveyor of good cheer. The Agriculture Department is no problem under his administration."

### Congratulate Horst

U. S. Sen. Edward Martin and James H. Duff sent congratulations to Horst, though they could not attend the banquet because of pressing duties.

The annual tractor driving competition for 4-H boys was won by Myron Rudy, of State College. Five youths competed in the event. The FFA tractor driving event was won by Ronald Cramer, 17, of Heilwood, Indiana County.

The first parade of farm machinery in the 38-year history of the exposition featured a replica of the first successful reaper, the earliest plows, hay rakes, grain drills, cultivators, tractors, and other ancient pieces of agricultural equipment.

At the same time, some 12 companies which manufacture the equipment, presented the modern counterpart of the antique machinery.

## PRESSURE ON IKE TO LOWER SOME TRADE BARRIERS

By JOHN M. HIGHTOWER

WASHINGTON (AP)—Pressures are mounting on the Eisenhower administration to lower some of the cold war barriers so as to permit more trade between the United States and Russia and its satellites.

Many top officials responsible for international economic policy feel some decisions will have to be made fairly soon. Meanwhile, splits appear to be developing between the interests favoring trade and those wishing to maintain maximum economic pressure on the Communist bloc.

The issue may come into focus upon an application by Minnesota businessman Dwayne Andreas for permission to export 20,000 tons of butter and 3,000 tons of cottonseed oil to Russia. These are not strategic materials and there is no policy barrier against them except a general policy under which the government reserves the right to bar any exports to Russia contrary to the security interests of the United States.

### Forces At Work

Officials said today the Andreas application is now before an interdepartmental committee made up of representatives of the State, Agriculture and Commerce departments. It deals with broad issues of economic security embracing the particular problem of East-West trade. This, of course, is not exclusively an American problem. In fact, it has been mostly an Allied problem.

There are several forces pressing strongly for official sanction of greater trade with the Soviet Union and satellite countries. They are:

1. The development of a buyer's market — meaning a supply of goods running consistently above the demand.
2. The accumulation of vast stores of surplus agricultural commodities in the United States.
3. A slow move toward general easing of international tensions.

## ANOTHER RED CLAIM

LONDON (AP)—Moscow radio said today Soviet scientists have developed a perennial wheat which yields year after year without re-seeding.

The broadcast said the wheat, developed at the Georgian Academy of Sciences in Tbilisi, was first planted four years ago. "Since then harvests have been gathered each year and a fifth harvest is expected from it this year," the radio quoted Prof. Vladimir Menabdeh, an academy official.

## Losers Appeal In Booby-Trap Death

READING, Pa. (AP)—Levy Keith, 52, convicted in the "booby-trap" slaying of an 11-year-old boy two years ago, now faces sentencing on the charge after losing an appeal for a new trial.

Berks County Judge Forrest H. Shanahan denied the appeal yesterday. Keith was convicted of involuntary manslaughter after Francis Eckenroth was shot and killed Jan. 21, 1952, by a loaded gun Keith admitted setting up in his summer bungalow along the Tulpenhocken Creek. Keith said he rigged the trap to prevent thieves from ransacking the place. He said the place had been entered several times.

## Widows, Old Folks Most Suicide Prone

OMAHA (AP)—Married people in this area are the least likely to commit suicide. Widows, widowers and divorced persons head the list. Single persons are next.

A study by Florence Izenstat, sociology student at the University of Omaha shows more than half of the 1,009 suicides in 22 years were recorded during the depression years, 1931 to 1938. Aged persons were the most likely to take their own lives. Most of the self-inflicted deaths were among those in the middle and upper-income brackets.

### TRAIN STOPS FIREMEN

HAMMOND, Ind. (AP)—Firemen at nearby Griffith probably would have saved a burning railroad bunkhouse if it hadn't been for a train.

They were just getting the blaze under control yesterday when a passenger train roared by, cutting their hoses.

The bunkhouse was destroyed before tank trucks arrived.

## Tall Lehigh Cagers Meet Bullets Here Saturday; Freshmen Clash At 6:45

Gettysburg College's under-the-board specialists have their work cut out for them Saturday evening when the tall Lehigh University dribblers oppose the Bullets on the local floor.

Every man on the regular squad of the Engineers towers above the six-foot mark. The tallest is Jim Picton, 6-6, who, however, is not listed as a starter. Jim Gieckner and Art Schiffilin, each 6-5, are lettermen and probable starters.

The Bullets, who have now won three in a row, will be seeking their eighth victory in 10 starts this season. Lehigh has won five and lost a similar number.

Engineer triumphs have been as follows: Bucknell 73-61; Delaware 54-38; Swarthmore, 67-57; Wesleyan, 67-50, and Rutgers, 74-61. Losses went to Temple, 60-48; Muhlenberg, 66-58; Courtland Teachers, 63-43; Lafayette, 57-56, and again Temple Thursday evening 64-61 in three over times.

In addition to Gieckner and Schiffilin, Lehigh starters will probably be Ed Cahn 6-2, Ed Clear 6-3, and Clyde Royster 6-3, all of whom are veterans from last season. Other squad members include Dick Gilmore 6-3; Joe Iurato 6-1; Alan Mercer 6-3, and Bruce Thompson 6-1.

**Mid-year Layoff**  
Coach "Hen" Bream was somewhat disappointed with the showing of his first-string reserves at Bucknell Wednesday evening which may mean the regulars will have to go the distance against Lehigh.

Against Bucknell, the subs blew a big lead and forced the regulars back into action to sew up the game. However, one or two of the subs performed creditably.

Johnny Yovicsin's freshmen, 1-2 for the campaign, will meet the Lehigh yearlings at 6:45.

Saturday's program will be the final Bullets contests for more than two weeks due to mid-year examinations. Following the Lehigh game the Bullets will be idle until February 3 when Penn State University will play here.

## MULE MATMEN FACE BULLETS HERE SATURDAY

Jack Shainline's Gettysburg College wrestlers will go after their second victory of the season Saturday afternoon at 2:30 o'clock when Muhlenberg will be met here.

The Bullets have split even in two engagements, losing to Hofstra while defeating Bucknell here last Saturday.

Two changes will be made in the lineup for the Bullets, according to Coach Shainline.

"Chuck" Hadley or Don Montgomery will replace Jim Howard in the 147-pound event while Bill Sells, 167, will wrestle in that event instead of Bob Sebald.

The remainder of the Gettysburg entries will be the same as last week. They include Harry Burdan, 123; Sam Evangelista, 130; Dave Turnbull, 137; Jerry Selkman, 157; Dick Mitchell, 177, and Ronnie Miller, unlimited.

The Bullets' freshmen are also listed for an engagement Saturday, meeting Stevens Trade at Lancaster at 7:30 p.m.

Last Saturday the frosh easily defeated Mercersburg Academy 26-11 in opening their brief season.

## Waynesboro Here Tonight To Meet Warrior Cagers

Bottling up Tom Cross, Waynesboro 6-7 center, who is averaging 25.7 points per game, will be big problem for the Gettysburg High cagers here tonight when they meet the Golden Tornado in a South Penn League contest.

If the Forney-men are able to control the lanky tap-off youngster they stand a good chance of snapping a two-game losing streak and forging into the first division.

The reserve teams will meet in the preliminary game at 6:35 o'clock.

This evening the Junior High dribblers will play at Waynesboro.

## PORTERFIELD, YOGI BERRA AND M'DOUGALD ON HOLDOUT SLATE

By ED CORRIGAN  
NEW YORK (P)—Latest holdouts in the major leagues are Bob Porterfield of the Washington Senators and Yogi Berra and Gil McDougald of the world champion New York Yankees.

Sources close to the Yanks also report that Mickey Mantle, their young outfielder, is dissatisfied with the contract he's been offered. However, nothing official has been heard from him.

Porterfield, one of the American League's most talented elbowmen, said the Senators "didn't offer anywhere near as much as I expected."

**No Old Yanks Sign**  
Cal Griffith, Senators vice president, retorted that "Porterfield has been paid extremely well since he has been with us" and noted that the Nats were off \$159,000 in receipts last season as compared to 1952.

The 22-game winner thus joined Mickey Vernon, the league's leading hitter, and another half-dozen players who are seeking more money.

So far, the Yankees have received the signed contracts of only two players — Harry Byrd and Eddie Robinson, both of whom were not around the Yankee Stadium last year.

**Asking Big Raises**  
Berra admitted that he had returned his unsigned, while McDougald said at his Nutley, N. J., home:

"Let's say I'm not a bit excited as these things are expected. I received a slight raise, but I won't sign it until I huddle with Roy Hamey (the Yank executive in charge of contracts)."

No figures were revealed as usual, but Berra is reported seeking \$40,000, about \$5,000 more than he was offered. McDougald would like \$20,000. Mantle is reported

shooting for \$25,000, about \$7,000 more than he earned last year.

**Snider, Kiner Signs**  
Two of the big blasters of the National League were drawn into the fold. The Brooklyn Dodgers announced they had signed Duke Snider, who hit 42 home runs in 1953, and the Chicago Cubs banked Ralph Kiner's contract.

Snider no doubt received a fat increase over the \$24,000 he drew last season. Kiner reportedly made \$65,000 in 1953. He hit 35 home runs and wound up with a .279 batting average. It's doubtful if he was raised.

The Cincinnati Redlegs announced they had received signed Seminick, second baseman Johnny Temple, pitcher Joe Nuxhall and outfielder Jim Bolger.

PHILADELPHIA (P)—All was forgiven between the Philadelphia Phillies and first baseman Eddie Waitkus today.

Club President Robert R. M. Carpenter termed a "very friendly, cooperative message." Carpenter said Waitkus wanted to forget the "unpleasantness" at the end of the 1953 season when the infielder "jumped" the club in the final week. Waitkus was suspended and fined a week's pay.

"He wants to forget 1953 and make 1954 his big season," Carpenter said.

## Televising Of Championship High School Cage Contest Is To Be Decided In February

By DICK HOENIG  
HARRISBURG (P)—The Pennsylvania Interscholastic Athletic Assn. will make known early next month its decision on whether to continue the televising of the championship schoolboy basketball game.

Last year the East-West final between Yeadon and Sharon was televised for the first time over a statewide network from the University of Pennsylvania Palestra in Philadelphia. However, the game was not a sellout for the second time in recent years.

"We have made no final plans yet, either to televise the 1954 game or not to televise it," said Mark N. Funk, executive director of the PIAA, ruling body of Pennsylvania schoolboy sports.

He added that the PIAA board of control has left the decision up to him and that he would announce the television plans and game site "not later than early February."

He made no indication the site of the Class A final would be changed.

**Lower Attendance**  
Last March 6,519 (5,915 paid) fans watched a surprising Yeadon team down the WPIAL champions. In previous years sellouts or near sellouts in the 8,100 seat Palestra have been the rule.

Funk disclosed that the PIAA is not convinced television was solely responsible for last year's attendance drop.

"We're trying to analyze the thing carefully," he said. "We think that the fact Yeadon was a finalist had quite a bit to do with the ticket situation."

Yeadon, one of the smallest schools ever to play in the Class A final, did not use the number of tickets we had set aside for the eastern winner. This left us three days before the game with tickets we could not sell to the public or distribute at any great distance."

**First Class B To Win**  
Yeadon, a Delaware County school with an enrollment of under 350, was the first Class B school to win the PIAA's top cage prize. The school competes in the A division (for schools over 500 enrollment) by choice.

The PIAA received \$1,000 for the television rights to the 1953 championship game. The 1954 contest is scheduled for Saturday night, March 27.

The Class A final has been held in the Palestra for the last four years and 12 times in the last 16. The other four times Philadelphia's Convention Hall was the site.

Meanwhile, the PIAA board of control has voted to ban Pennsylvania member schools from taking part in post season interstate football games in 1954.

Funk explained that the move was preliminary to offering membership districts an amendment to the PIAA constitution at annual district meetings next December.

"We are going to allow the schools to set the policy on this matter after 1954," Funk said.

The National Scholastic Federation, to which the PIAA belongs, allows interstate games involving a round trip of more than 600 miles only on the approval of both associations concerned.

"We're thinking of the 'bowl' type game after the regular season is over and nothing else," Funk added.

He disclosed that a member

## Scores 71 Points In Cage Game

PHILADELPHIA (P)—If you're seven feet tall, playing in a high school basketball league, the law of averages says somebody you're bound to bust loose with a lot of points.

Wilt (The Stilt) Chamberlain of Philadelphia's Overbrook High School did just that yesterday, scoring 71 points as his team defeated Roxborough High, 114-51, in a Public High League game.

But it wasn't a new state record.

Chamberlain matched a record set Feb. 22, 1951, by Joe Holup, then of Swoyersville and now with unbeaten George Washington University, one of the nation's top 10-ranking teams.

Swoyersville won that game—against Wilkes-Barre Twp. high—103-59.

Will Be Honored

PHILADELPHIA (P)—George Mikan of the National Basketball Assn.'s Minneapolis Lakers will be honored along with former heavy-weight boxing champion Joe Louis and golfer Bobby Jones as the outstanding athletes in their sports during the past 50 years at the Philadelphia Sportswriters golden anniversary banquet here Jan. 25.

Mikan's selection was announced yesterday.

**RING WRITERS**  
HONOR GAVILAN

NEW YORK (P)—Kid Gavilan, Dr. Vincent Nardiello and Floyd Patterson were honored last night by the Boxing Writers Assn. as the sport's outstanding men in 1953.

Gavilan received the Edward J. Neil Memorial Plaque as Fighter of the Year, an award named in memory of the former Associated Press boxing writer who was killed while covering the war in Spain.

Dr. Nardiello, former boxer and New York State Athletic Commission physician for many years, was given the James J. Walker Plaque for "long and meritorious service" to the sport.

Patterson, 165-pound Olympic champion in 1952, accepted the James Dawson Memorial Plaque as Rookie of the Year.

Nino Valdes, the Cuban heavy-weight contender, also received an award from Editor Nat Fleischer of Ring magazine for showing the most progress during the past year.

PHILADELPHIA (P)—Young Teddy Kazanski, Philadelphia Phillies' shortstop, has signed his 1954 contract, the club announced today.

### LEGION WOMEN OBSERVE 20TH ANNIVERSARY

The twentieth anniversary of the Ladies' Auxiliary to the Ocker Snyder Post No. 321, American Legion was celebrated on Wednesday night at the post home, E. King St., with five charter members in attendance. They were Mrs. B. Roy Kebl, Mrs. J. Ray Reindollar, Mrs. J. Yingling and Mrs. Ernest R. Senz, Mrs. J. Howard Spalding. Mrs. J. Howard Spalding, who is now serving as president of the organization, gave a brief resume of the Auxiliary and the history of the unit. Remarks were heard from the first president of the unit, Mrs. J. Howard Spalding. In addition to the charter members and their guests, the Auxiliary also entertained the Legionnaires. Awards for games for the evening were presented to Mrs. Francis J. Will, Mrs. J. Donald Lemmon, Mrs. J. Ray Reindollar, Mrs. J. Howard Spalding, Mrs. Vernon J. Study, Mrs. William J. Yingling, J. Ray Reindollar, Mrs. Lloyd L. Stavelly, William J. Yingling, Mrs. Ivan Rickrode, Mrs. B. Roy Kebl, and Mrs. J. Study. A buffet luncheon was served by the Auxiliary members.

The January business meeting preceded the celebration, with Mrs. Senz in charge. Plans were discussed for a birthday observance for the members of the post in the near future. A committee, consisting of Mrs. Vernon J. Study, chairman, Mrs. Elmer W. Gall and Mrs. Lloyd L. Stavelly, was appointed to make the preliminary arrangements. All Auxiliary members were urged by their president to save Colgate Palmolive coupons and give them to the coupon chairman, Mrs. James W. Fager. Special awards are being offered to the unit ending the most coupons to headquarters during the month of January. The proceeds are for veterans hospitals.

The next meeting of the Auxiliary will be held in the form of an electrical demonstration at Zering's Hardware and Appliance Store on Wednesday, February 10.

### Heads Polio Drive For Her 10th Year

Mrs. Charles W. Weikert, W. King St., chairman of the March of Dimes campaign in Littlestown for the tenth consecutive year, has announced that the drive officially opens today and will continue to the end of the month.

The generous contributions of donors in the past have aided the research which made possible the newly developed vaccine used as a preventative for infantile paralysis. This year, the National Foundation will start inoculating school children with the vaccine and this year's contributions will go toward making the preventative vaccine available to all. All local organizations, industries and business places will be contacted by the chairman by mail. Others wishing to contribute may send their donation to Mrs. Weikert or may place it in one of the containers which have been placed in the stores and business place of the community. The annual March of Dimes dance in Adams County will take place on Friday, January 29, at the Hotel Gettysburg. Donors contributing \$5 or more will receive a ticket to the dance.

### TO SEE ICE SHOW

The Littlestown Rotary Club will observe Ladies' Night on Tuesday, February 23, with a trip to the Ice Capades in Hershey, instead of March 15 as previously announced. The program for the 49th anniversary of Rotary International, scheduled for February 23, has been postponed to March 16. Reservations for the trip to Hershey should be made at the meeting of the Rotarians on Tuesday night.

### CHIMNEY FIRE CALL

Volunteers of the Alpha Fire Company No. 1 answered a call on Thursday at 6:45 a.m., with two trucks, to the dwelling house of Howard Grove, in Union Twp., Hanover R. I., which is occupied by a chimney fire causing slight damage and the services of the firemen were not required.

### PTA MEETS TUESDAY

Plans will be furthered for the Mardi Gras to be held sometime in February by the Littlestown Jointure Parents Teachers' Association for the benefit of the new stage curtain fund, at the monthly meeting of the PTA on Tuesday at 7:30 p.m. at the high school. The January hostess committee is composed of Mrs. James Dutterer, Mrs. Norman J. Hahn, Mrs. Milton Harner and Mrs. LeRoy Helwig.

### AUXILIARY TO ELECT

Due to the weather conditions, the Ladies' Auxiliary of the Kingsdale Volunteer Fire Company did not meet last Monday and the meeting has been postponed to Monday, January 18, 7:30 p.m., at the engine house. Election of officers will take place. The hostess committee for this month includes Mrs. Patricia Lemmon, Mrs. David Gulden, Mrs. Oscar Wolfe and Mrs. Luther Slifer.

### BASEBOAR TO SPEAK

Frank E. Basehoar, administrative assistant at the Littlestown Junior Senior High School, will be the speaker at the second January meeting of the Littlestown Junior Chamber of Commerce on Monday evening, 6:30 o'clock, at Schottles' Hotel. A dinner will precede the business session.

### TO AID SCHOOL FUND

A merchandise club is being organized by St. Aloysius Parish to assist the Delone Catholic High School music fund. All those interested in joining the club are asked to contact one of the following: Mrs. John R. Rudisill, Mrs. George P. Smith, Mrs. P. K. Hymiller and Mrs. William T. Gingrow Jr.

### CHURCH BOARD ELECTS

Reorganization of the Consistory of Redeemer's Reformed Church took place at the January meeting on Wednesday night in the church social hall. The Consistory made the

Seaman Sowle heard the woman shouting from the roof as he stood in building at left. He reached the roof from the window, left, where an unidentified sailor stands ready to aid as a fire ladder is raised. Picture taken by Bob Hysong, Newport, R. I., News.

### Would He Preach In His Old B.V.D.'s?

CHATTANOOGA, Tenn. (AP)—Just because a man is 91 years old and his suit is pretty well worn is no reason to quit filling pulpits, says the Rev. Robert F. Rogers.

So Roger's four sons got together and bought the preacher the only birthday present he said he wanted — a new suit. Not just one suit, but a wardrobe.

The Missionary Baptist minister says he has walked, ridden horseback and "buggied" over most

every rural section within a 100-mile radius of Chattanooga during the past 50 or so years.

"I guess," he said, "I've worn out more shoe leather and buggy seats getting to my churches than any man in these parts."

### AUSTRALIANS RIDE CHEAP

NEW YORK (AP)—Australians — or people with Australian money — find New York's subway far just about the lowest. An Australian three pence coin, value about two cents, is the same size as the subway's 15-cent tokens, and a number have shown up in the token collection boxes.

cluded in the various price classes.  
Choice Of Engines

Following a year marked by the re-establishment of Packard in the luxury car field, the company will move toward the pattern of auto making which once gave its dominance in the top price group. Buyers will be offered a wide choice of engines; power arrangements especially designed for open road, mountain rough terrain or city traffic driving; more than 40 selections of interior trim; and 23 exterior color combinations. The luxury line of Packard will include seven models, ranging from a new deluxe hardtop, the "Pacific," a convertible coupe, two family sedans, and an eight passenger executive sedan, to the top of the line custom built Caribbean sports car and a chauffeur-driven model priced up to \$7,250.

Packard's medium priced Clippers, starting at \$2,544, will be built in three series as the company moves further toward complete representation in its price classes. The company has added a super series at the top of the Clipper line, which includes the Panama, a hardtop new to the line, the Super Club sedan and the Super four-door sedan. Other Clippers are in the De Luxe and Special series. The De Luxe series includes a four-door sedan, a club sedan, and The Sportster; a club sedan is designated as a Clipper Special.

Does your family like the combination of raw apple and celery mixed with mayonnaise for a salad? If so, they'll enjoy having this salad with a chicken or ham sandwich for lunch. Preface this menu with a hot soup.

## BIG 4 WILL TRY AGAIN TO AGREE

BERLIN, Germany (AP)—The three Western Allies made plans today to resume talks with the Russians today or tomorrow on a site and other arrangements for the Berlin Big Four conference.

The governments of the United States, Britain and France sent new instructions to their high commissioners in Germany. The Western officials immediately went into conference in Bonn, the West German capital, to coordinate their positions.

Informed quarters in Washington said last night the United States was ready to agree to Russian demands that half the foreign ministers' meetings be held in Soviet-controlled East Berlin and half in the Allied-controlled Western zone.

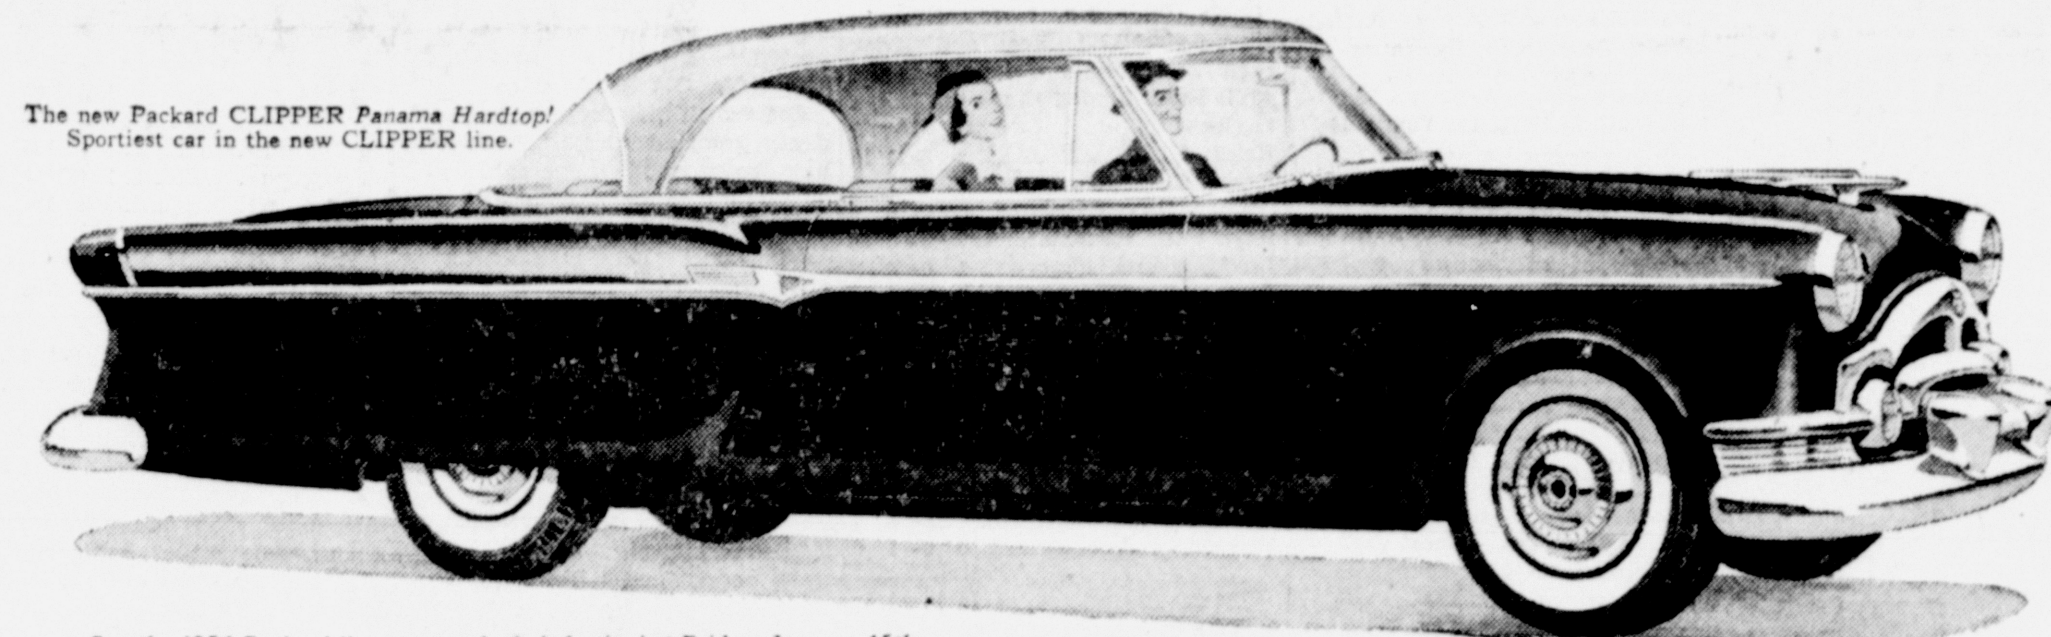

In the preliminary talks during the past week here, which deadlocked early yesterday over the question of the site, the West's three Berlin commandants had insisted that three meetings be held in West Berlin to each one in the East.

The U. S. government was reported to feel that such a difference was too minor to risk delaying the meeting, due to start Jan. 25.

### SUBMARINE ENTERTAINMENT

GROTON, Conn. (AP)—You can crowd a lot of entertainment into a modern submarine, says the Electric Boat division of General Dynamics corporation, builders of undersea craft. There are provisions for movies, television and boxing matches. They even have ice cream machines and juke boxes.

# Announcing The New Packard CLIPPER

## America's Newest Medium-Priced Car! Luxury at a lot less...because Packard builds it

A year ago the new Packard CLIPPER was introduced as America's newest medium-price car.

First, automobile men looked it over. Then reporters looked it over. Columnists looked it over. The motoring public looked it over—and the news started! And this was the news: "That's a lot of car for the money!"

And it was a lot of car for the money. And it is a lot of car for the money. Because Packard builds it. Packard-built quality is traditional in the automobile world.

### So the news spread!

People all over America saw and drove this newest and most glamorous addition to the medium-price field—and bought it.

CLIPPER SPECIAL CLUB SEDAN

People who had driven other makes for years switched to the new Packard CLIPPER. It was a fine year.

So for 1954 the new CLIPPER brings you fine-car luxuries, fine-car power, fine-car ride... (the high-price features everybody wants)... and yet at a popular, medium price!

We have built a finer car for '54 because experience with the '53 CLIPPER proved that there are many thousands of Americans who want a true luxury car in the medium-price range.

Most cars in the medium-price field are simply big brothers of smaller cars made by the same company. These cars may offer the modern gadgets and the smooth look of the big car, but in most cases their basic engineering and produc-

tion is still small-car engineering. "Packard-built" makes the difference.

No feature or claim will ever give you a more powerful reason for buying a CLIPPER than the name Packard.

Packard started building quality into automobiles more than half a century ago. Of the more than fifty cars displayed at the first automobile show in Madison Square Garden in 1903, only Packard survives!

You'll find the reason when you take command of a Packard CLIPPER and put it through its paces over a road of your own choosing. Make that date with "Packard-built quality at a popular, medium price" very soon... won't you?

You'll get luxury for a lot less in a Packard CLIPPER.

Since you can't test the new Packard CLIPPER at the famous Packard Proving Ground, get the story, fact by fact, on the pocket proving ground at your dealer's. But don't stop there! For the real thrill, drive a CLIPPER.

N-130B

Did you know you can buy a Packard CLIPPER for as little as \$2,624.00

### THE NEW BIRTH

John 3:1-16

Key Verse: God so loved the world that he gave his only Son, that whoever believes in him should not perish but have eternal life. John 3:16

A member of the Sanhedrin, the supreme court of the Jews, was impressed with the miracles performed by Jesus. He made an appointment to meet Jesus and their conversation gave our Lord the opportunity to tell Nicodemus about the kingdom of God. Their meeting took place at night. Why at night?

Was it because they would be less likely to be interrupted. Possibly so. Was Nicodemus afraid to be seen with Jesus? The Master had already offended the Pharisees

and others. Hardly that, for it required courage to meet with Jesus at all. The teaching of this strange man from Galilee stirred comment throughout the city. The plain and commendable fact is that this man of high station among the Jews came to learn of Jesus. It was a step that any man may well take who would know God more intimately. Nicodemus was mentioned on two other occasions. Once when he opposed fellow-members of the Sanhedrin who were ready to condemn Jesus without a trial; and again when he brought spices to anoint the dead body of Jesus.

I think we are permitted to believe that there was more conversation than is given in the Bible text. John was a good re-

porter and gives only the essentials in his book. Nicodemus addresses Jesus as "Rabbi" (Teacher) and declares that God must be with Him to enable Him to achieve the miracles as Jesus had done. Implied in this statement was the question how was this done. It was the mind of an honest seeker for the truth. Jesus sensed the thought behind these words of the inquirer. It was the old question about the kind of kingdom Jesus came to establish and who would be eligible for citizenship in it. Jesus' reply was: "Unless one is born anew, he cannot see the kingdom of God." Born anew or again. That puzzled Nicodemus, as well it might. Jesus explained that a man is both body and spirit and it is the spirit in man that must be renewed by the Spirit that comes from God. Here was mystery, like the blowing of the wind. There is much of mystery to the human mind in the redeeming gospel; much that must be taken on faith. This includes the nativity, the cross and the

resurrection of our Lord. The spiritual kingdom of which Jesus was speaking is entered only through the open door of faith. The "eternal life" of which John writes so frequently in his gospel is a condition of life that one acquires as he enters the door of childlike belief.

Jesus mildly chided Nicodemus for his lack of understanding: "You a teacher of Israel!" Our Lord was wondering how long a time it would require for such as his visitor to grasp the reality of what He was teaching. He was expecting men to believe in Him; could He believe in them? Could He depend on them to take up their cross, whatever it might be, and follow Him? Only those who had a genuine rebirth, or renewal, through the Spirit from above could be depended on. In His demand for repentance and a new spiritual life He was joined by His cousin John the Baptist. And before Him the prophets urged the same change of heart and life. But now a new Voice is heard,

and a new Gospel proclaimed in one single verse of inspired Scripture: "God so loved the world that He gave His only Son, that whoever believes in Him should not perish but have eternal life." ## GRANDPA'S SCRAPBOOK

It's all there—in Grandpa's Scrapbook. The story of his life. His baptismal certificate, the newspaper clipping about his kicking that winning field goal, the now-yellowed wedding invitation, the snapshot of their house-warming, the announcement of Mama's birth, the blue ribbon that Grandpa's steer won at the county fair.

And, on a page all by itself, is a Children's Day program from our little Church, the day I sang "Jesus Loves Me" with Danny Andrews!

Grandpa always says, "That's the page I like best. It's a blessing to know yer grandson is goin' in the right direction."

And then with a far-away look in his eyes he says, "You keep up yer fine work in Sunday School, Lad. Whether yer kickin' a field goal, or plantin' yer corn, or servin' God in yer own humble way—you have to keep goin' in the right direction!"

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## 5 TOLL BRIDGES ARE PAID FOR IN FOUR YEARS

HARRISBURG (P) — The State Highways Department disclosed today that 5 of 10 toll bridges taken over by the state four years ago have paid for themselves.

Figures for 1953 show that toll collections have exceeded the original purchase price for spans at Sunbury, Clarks Ferry, Charleroi-Monessen, and Minsi Trail and New Street, both at Bethlehem.

Highways Secretary E. L. Schmidt predicted that 1954 will see enough tolls collected to bring the toll bridge fund to nearly 6½ million dollars.

That amount was paid by the state to buy 9 of 10 spans. The Walnut Street Bridge in Harrisburg is involved in four years of litigation on a purchase price.

"Individual bridges will not be freed until all of the bridges are paid for, including the Walnut Street Bridge," he emphasized.

**Free In Two Years**  
If the Walnut Street case, now in Dauphin County Court, is cleaned up in the meantime the present rate of collections would indicate complete freeing of all spans in two years.

Toll collections in 1953 netted \$980,913 in contrast to \$1,401,128 during 1952. The drop was attributed by the department to increased traffic over the new free Taylor Bridge in Harrisburg.

Opening of the Taylor span two years ago resulted in an immediate 50 per cent drop in traffic on the Walnut Street Bridge which never has been regained.

**Collections Thus Far**  
Toll collections as of Dec. 31 (with original purchase price in parentheses) for the five bridges which have paid for themselves:

Sunbury, \$684,517 (\$650,000); Charleroi-Monessen, \$615,365 (\$550,000); Clarks Ferry \$717,519 (\$536,850); Minsi Trail, Bethlehem, \$269,404 (\$270,000); and New Street, Bethlehem, \$173,462 (\$65,000).

Tolls collected to Dec. 31 (with

## DEAN DECLARES SENATOR GAVE AID TO COMMIES

NEW YORK (P) — Arthur H. Dean, special U. S. ambassador to Korea, denies favoring a policy of "appeasement" toward Red China — as charged by Sen. Herman Welker (R-Idaho) — and terms Welker's attack on him a "great aid to the Communists."

In a Senate speech yesterday, Welker referred to an interview with Dean published Jan. 2 in the Providence (R. I.) Journal and said:

"Mr. Dean offers the view which has long been held by pro-Red apologists in the State Department that 'there is a possibility that the Chinese Communists are more interested in developing themselves in China than they are in international communism.'"

"I can't believe anything can be farther from the truth."

Dean, a former law partner of Secretary of State Dulles, broke off preliminary peace talks with the Communists at Panmunjom Dec. 12 after the Reds accused the United States of "perfidy" in the prisoner of war release last June by South Korea of 27,000 anti-Communist Korean War prisoners.

Dean called a news conference last night at his Wall Street law offices and said:

"I am 100 per cent against appeasement or knuckling under, and to the best of my knowledge and belief I have fought the Communists at every turn."

**Must Face Facts**  
"I have said that in the selfish interests of the American people, we must face facts as we find them, not as we would like to find them."

"I shall continue to do everything I can to help the Far East and Southeast Asia to fight communism. I have spent most of the last five months trying to solve the Korean problem, which is a very tough nut to crack."

Dean said Welker's attack on him "definitely" will affect his further efforts in the Korean negotiations.

"I don't think we realize the difficulty the people in South Korea will have in realizing how a person so strongly against communism as I am could be attacked by a U. S. senator," Dean said.

Here's a delicious luncheon dish to serve to your bridge club. Fill hollowed out finger rolls with chicken salad and heat in the oven; serve with slices of canned cranberry sauce and sprigs of water cress or parsley.

test, won locally by Miss Marietta Sauter, Gettysburg High School junior, President Donald B. Trone said that 70 finalists from 520 Pennsylvania schools, embracing 25,000 pupils, competed at Harrisburg on December 28. First prize was won by a student from Harrisburg Catholic high School.

A suggestion that photographs be made of youngsters sitting on Santa Claus' knee during the pre-Christmas days to raise funds for the Jaycee treasury and as a source of additional prizes to children was tabled for further consideration. It was estimated that some 1400 lollipops were given to children at the "Santa Cabin" on Lincoln Square.

**Reviews Jaycee Projects**  
Secretary Becker reviewed Junior Chamber projects in the past year which included: Charter Night; Clean-Up Campaign in

conjunction with the Board of Health; Operation Pray, in which Gettysburg joined with President Eisenhower in asking divine help for an end to Korean hostilities; a spring auto tour for County Home guests; a kiddie theater party to open the summer recreation season, and an antique show in connection with "Pennsylvania Dutch Days."

He also mentioned the Jaycee family picnic; an outdoor stag party; a "Pass-The-Gavel" club event; membership campaign; Halloween Floss; a square dance for the benefit of the Community Chest; the "Voice of Democracy" contest; Santa's Cabin; the "Distinguished Service Award"; National Jaycee Week, and sponsorship of the Adams County polo dance for the "March of Dimes" fund.

The Junior Chamber voted \$5 in dimes to the polo fund. The money will be pasted on Zerling's window and will spell out J. C. Jaycee Week in 1954 will be January 14 to 21.

## COOKED A FINE DINNER; THEN THREW IT TO DOG

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. NEW CAR

ANNOUNCEMENT

FROM THE BUILDER

OF THE "ROCKET"

## NEWEST NEW OLDSMOBILE

## IN FIFTY-SEVEN YEARS!

NOW... the "88" of tomorrow

... the car that Oldsmobile has

been "building up to" for many

years... will be displayed

on Wednesday, January 20th!

**JUST WAIT!** For the most significant, the most exciting new car announcement in Oldsmobile's 57-year history. Yes, even more startling than 1940, when Hydra-Matic Drive was introduced by Oldsmobile. Even more spectacular than 1948 and the debut of Futuramic styling. Even more thrilling—believe it or not—than 1919, when Oldsmobile's first "Rocket" was launched and started a whole new era of high-compression power.

**JUST WAIT!** It's going to be not just a new car, but an ultra-new kind of car. A "dream car" that actually had its beginnings years and years ago. A "show car" that draws inspiration from the many experimental models of recent years. A "car of tomorrow", so basically new in styling and engineering, with so many new convenience and comfort features, that it's bound to set new trends in automotive design!

**JUST WAIT!** It's going to be THE "88." Remember when Oldsmobile startled the automotive world with its first "88" model? It represented a new idea in fine cars—a new balance of power and pace, style and grace—and soon became the "hottest

number on the highway". Even today, if you'll check trade-in values and used-car prices, you'll find that those "88" numerals still possess their own special kind of magic. And this new Oldsmobile for 1954 represents the peak, the climax, the fulfillment of the "88" idea!

**JUST WAIT!** You're going to see a startling new kind of styling that—we warn you!—will make you dissatisfied until you actually own this car. A definite low slung "sports car" look, but American through and through. With a "new slant" on windshield design. (This will start a new trend, just watch!) A new silhouette that's longer, lower, lovelier. New fender treatment, new door design, new interiors—well, frankly, everything everywhere you look is new!

**JUST WAIT!** Your biggest thrill will come when you drive this car. For remember, it's a "Rocket"—and you know what a wonderful performer the "Rocket" Engine is right now. Yet for 1954, the "Rocket" will be bigger, more powerful and—here's real news—more economical than ever. Already, it's a World's-Record-breaker! In a grueling test run at Monarch Pass, Colorado, this new 1954 Oldsmobile engine outstripped the famous 1953 "Rocket" in every phase of performance, hit the "top of the world" at the Continental Divide with far greater ease than any car had ever approached. Similarly, at the Indianapolis Speedway, in a 10,000-mile, nonstop economy run, this astonishing new "Rocket" used 10% less gasoline than a 1953 Oldsmobile.

**JUST WAIT!** And you won't have to wait long! This "dream car", this "car of tomorrow", this newest new Oldsmobile in fifty-seven years, is being displayed on Wednesday, January 20. So make a date with this new "88" at your Oldsmobile dealer's. **JUST WAIT TILL YOU SEE IT!**

## Class Votes \$10 To March Of Dimes

A contribution of \$10 was voted to the March of Dimes by members of the Ladies' Aid Society of St. Luke's Union Church, near White Hall, at their monthly meeting on Wednesday evening at the church.

The meeting, which was in charge of Mrs. John H. Hartlaub, president, opened with the group singing of "What A Friend" and "I'm Praying for You," accompanied by Miss Eileen Hartlaub. Mrs. Donald Appler read the Scripture and offered prayer. Piano solos were played by Sheila Appler and Judy Appler. The birthday of Miss Betty Hartlaub was noted. Reports were heard from Mrs. Guy McCabe, treasurer, and Miss Betty Hartlaub, secretary. The guess box, given by Mrs. John Hartlaub, was received by Mrs. Robert Gladfelter. Mrs. Donald Appler conducted a group game which was won by Mrs. Hartlaub and Mrs. McCabe. Refreshments were served by the January hostesses, Mrs. Donald Appler, Mrs. Edward Appler, Mrs. Grant Appler, Mrs. Kenneth Appler, Mrs. Oscar Ampacher, Mrs. John Arentz and Mrs. Wesley Ambrose.

Each member of the Aid Society is asked to bring a Valentine along to the next meeting on Wednesday, February 10, at the church, when the hostess committee will include Mrs. Richard Bixler, chairman, Mrs. Cletus Bair, Mrs. Daisy Bittle, Mrs. Junior Bittle, Mrs. Merle Bittle, Mrs. Roy Bittle and B. E. Bixler.

**FEED FOR FIREMEN**  
A smoker and shrimp feed will be held by the Alpha Fire Company No. 1 on Friday night, January 22, in the engine house. The following committees will assist with the arrangements: Refreshment, Paul E. Altoff, Glenn E. Ohler, Ivan Rickrode, Edward L. Warner, Robert L. Snyder, Charles W. Randall, Walter C. Myers and Dennis S. Wallick; games, Jay D. Basehoar, Robert C. Koontz, Harold Sparver, Burnell Keagy, Emory Wintrod, Robert Bevenour, Lloyd Harner, Guy Conover and Luther Hankey. Other members of the company are invited to volunteer their services the night of the smoker, as announced by Lake A. Shanbrook, general chairman for the affair.

## New U.S. Military And Foreign Policy Is Retaliation Against Russia For Any Aggression

By JAMES MARLOW

WASHINGTON (AP)—The main question raised by Secretary of State Dulles' outline of the change in American military strategy and, in part, foreign policy is: Will it work?

He explained the change this week against this background in one of the most important speeches of his career:

This country realized how poorly it was equipped to fight a war when it had to fight suddenly in Korea. Then it began hastily to rearm and build up its ground armies.

This was a policy of emergency, Dulles said. In Korea it meant pitting Americans against the Communists on a man-for-man basis. The United States could not continue to do this every place fighting broke out.

**Reds Outnumber Allies**

The reason: the Communists not only outnumber Americans and their allies in manpower but are far more willing to sacrifice men.

Besides, if the United States attempted to keep huge forces under arms indefinitely, waiting for an outbreak like Korea, it would wind up in the poorhouse.

Either way the Communists could win: through American bankruptcy in men or money. Further,

such a policy would let the Communists call the shots and pick the battleground, which invariably would not be in Russia or China.

So the Eisenhower administration, Dulles explained, has decided to save on both men and money by cutting down the size of the armed forces — except the Air Force — and putting its reliance on power to hit the Communists with a "massive" retaliation.

**May Use A-Bomb**

In short, the United States is warning the Communists that if they attack anyway they can expect that "massive" retaliation Dulles mentioned. He didn't mention retaliation with atomic weapons but it seemed implicit.

The first question this raises is: will the United States carry out the threat if there is a new Korea? For instance, if China renewed the war in Korea, would this country bomb China?

If so, it would have to face the possibility of sudden attack by Russia, coming to the aid of her Chinese ally. That would well mean the start of world atomic war.

Would American allies, closer to Russia, go along with this? This is the problem the Truman administration faced, and decided in the negative, when Gen. MacArthur urged punishing the Chinese

### Hootch Site Known But Owner Is Not

GRENVILLE, S. C. (AP)—Police have confiscated liquor from the same spot 22 times in a year—no arrests.

The spot is in vacant city area, close enough to be within handy reach of nearby houses when customers arrive, but not close enough to connect the contraband booze with anyone.

### Firemen Quell Blaze In White Tie, Tails

TARIFFVILLE, Conn. (AP)—For one night this Connecticut village had the nation's most formal fire fighters. They were in evening dress for their annual ball when an alarm sound d for a minor chimney fire.

Chief Vincent Piona was a little late getting to the scene, but he arrived dressed as firemen should be. He was in the bathtub when the alarm sounded.

by bombing Manchuria.

Dulles is indicating the administration has made its decision—on the MacArthur side. The threat won't get its test unless the Chinese or Russians do attack.

The changed policy outlined by Dulles sounds reasonable but its value may not be known for some time. If it truly deters the Communists it will have been effective.

## M'CARTHY AND DEMOCRATS ARE "NEGOTIATING"

By G. MILTON KELLY

WASHINGTON (AP)—Sen. McCarthy (R-Wis) and the Democrats who have boycotted his Senate investigations subcommittee for six months are angling for a negotiated peace.

McCarthy, before leaving for Boston to conduct public hearings for his all-Republican subcommittee, announced willingness to consider a relaxation of the exclusive power he has asserted to hire and fire the subcommittee's staff.

The Democrats, led by Sen. McClellan (D-Ark), voiced cautious willingness for peace talks. No date was set.

**Closed Door Meeting**  
McCarthy told reporters that "for the first time" he now expects an agreement will be reached, and that he wants it before the month's end.

The two sides got down to cases at a closed-door meeting yesterday of the Senate Government Operations Committee, parent of the subcommittee and also headed by McCarthy.

McClellan and Senators Symington (D-Mo) and Henry M. Jackson (D-Wash.), the three who quit the subcommittee in a row over McCarthy's firing and hiring powers, attended. They retain membership on the parent group.

**Democrats Quit**  
McCarthy told a news conference after the meeting that:

1. The Democrats had not tried "to hamstring" the subcommittee financially and had joined in a unanimous vote approving his request for \$200,000 of Senate funds to finance its work until Jan. 31, 1954. The request is subject to approval by the Rules Committee and the full Senate.

2. "It appears for the first time we may work out a system whereby the chairman has the right to hire a staff and fire it, and members can ask for the right to discharge individuals."

McCarthy said he feels that "no one who is personally obnoxious to the minority of the committee should be retained on the staff."

The Democrats quit last July after the Republican majority outvoted them and gave McCarthy the sole personnel powers he had claimed.

### Zinc Millions Allow Ghost Town Rebirth

JEROME, Ariz. (AP)—The nation's largest zinc producer has taken a million dollar lease on the life of the ghost town. New Jersey Zinc Corp. has signed a contract with Verde Exploration, Ltd., to search for copper deposits here.

Jerome was a lustrous, wealthy mining town until Phelps Dodge Corp. pulled out in 1950 in belief the copper reserves had played out.

### College Coed Studies Arabic 'To Relax'

TUCSON, Ariz. (AP)—University of Arizona professors don't need to encourage a pretty 20-year-old senior, Raclare Cordis, to study.

Besides keeping with the campus dances and other activities, Raclare takes 25 classroom hours of courses a week—about seven more than the average. She is in the engineering college.

She says she studies Arabic at home—"for relaxation."

Fish travel back and forth between the Red Sea and the Mediterranean Sea through the Suez Canal, says the National Geographic Society.

### Deer Attends Classes With School Children

GRAND CANYON, Ariz. (AP)—A fawn is attending classes at Grand Canyon School.

Ranger Joe Black found it abandoned last spring. Since then the deer has attached itself to the school children.

Every day it follows them to school.

The famed cedars of Lebanon are often employed in the Scriptures as symbols of power prosperity and longevity.

## Resistance Of Malaria Germ Worries Medics

KUALA LUMPUR, Malaya (AP)—Malaria control experts are worried about the increasing resistance of malaria germs to the new drug, paludrine.

In its report, the Malaria Advisory Board said resistance was first detected about the end of 1948 when a large number of cases failed to respond to treatment. By 1950 many more cases failed to respond and by 1952 resistance was reported all over Malaya.

### TAX AUDIT ORDERED

LITTLE ROCK, Ark. (AP)—An audit for every business in the state collecting sales taxes have been ordered by Revenue Commissioner Vance Scurluck after a spot check in 12 towns. The check showed only 68 per cent of the firms were collecting the full tax and that 5 per cent were collecting no tax.

## HUDSON, NASH KELVINATOR CONSOLIDATE

**DETROIT (AP) —** Hudson Motors and Nash-Kelvinator are consolidating — marking another in a series of big intercompany deals in the auto industry in recent months.

Subject only to anticipated stockholder approval, the Hudson Motor Car Co. and Nash-Kelvinator Corp. will become the American Motors Corp.

An estimated 355 million dollars in total assets and more than 100 million in working capital are involved.

## Agree On Terms

Boards of directors of the two companies agreed on terms of the consolidation yesterday.

N-K's Nash and Kelvinator divisions and Hudson agreed to become separate divisions of the new corporation. Kelvinator is the electrical appliance-producing division of N-K Corp.

The plan also called for converting three shares of Hudson stock for two of American Motors. Each share of Nash-Kelvinator stock will become one share in the new corporation.

## To Be 4th Largest

A. E. Barit, Hudson president, will be director and consultant in American Motors. George W. Mason, president and board chairman of Nash-Kelvinator, will be president and chairman of the board of the new corporation.

The merger will make American Motors the fourth largest automobile producer in the nation, behind the "big three" of General Motors, Ford and Chrysler.

The consolidation will be the second in the auto industry within the past year. Last spring Kaiser Motors bought Willys-Overland Motors for a reported \$2 million dollars.

More recently, GM bought the Kaiser Willow Run properties in Michigan and Chrysler purchased all Briggs Manufacturing Co. car body plants.

Church will hold a doughnut sale, Wednesday, January 20.

## ADVERTISE IN THE TIMES

## 450 ARRESTS IN EGYPT ROUNDUP

**CAIRO, Egypt (AP) —** Arrests mounted to 450 today in the government crackdown on the outlawed Moslem Brotherhood.

A communique from President Mohammed Naguib's Revolutionary Council accused the fanatical political-religious organization of conspiring with both the Communists and the British, and with plotting a counterrevolution against Naguib's regime.

The communique said the Brotherhood, which claimed a membership of two million at the height of its power in Egypt, conspired with the Communists for the purpose of fomenting disorder in this strategic Middle East country.

Representatives of the Brotherhood also were charged with making secret contacts with the British resulting in a weakening of Egypt's position in the lengthy negotiations over the future of the vital Suez Canal zone.

## Woman Fails Test When Car Rebels

PARKERSBURG, W. Va. (AP)—Mrs. Eva Mae Boone, married 32 years, failed her driving test. She said everything was going fine until the car went out of control, side-swiped a house, skidded across a lawn and jarred loose the foundation of another home.

She paid no attention to the damage because State Trooper Frank Patton, riding beside her, was bleeding from a broken nose. Mrs. Boone said State Police were "awfully nice" because they didn't press charges and told her to cry if she wanted to.
